

Commercial Storage with All the Frills But Half the Bills

AVAILABLE

Warehouse (6,000 sq ft)

A Compound (12,000 sq ft) and Office Space

For many years Stratford Self Store has built a glowing reputation for commercial storage in Warwickshire.

The secret to their success is based on their unrivalled levels of customer services from order picking and palletizing to goods off loading, forklift facilities and haulage.

All with a continual high level of customer service, professional and friendly.

Stratford Self Store, offers easy, cost effective secure warehousing with a personal touch, they work with you and your needs as they understand that each businesses' requirements are different from the next.

This is proven by their current commercial customers and the continued number of businesses approaching them to support their commercial needs at prices that can help weather the financial storm the recession has caused.

Stratford Self Store has a number of solutions to offer one man band businesses to large companies.

Warehousing, office space, storage rooms, and compounds all within easy access of the M40.

So no matter how small or large your commercial needs are contact the team today to find out how they can help your business.
